

CONGRATULATIONS to three more GCC employees who have earned their GED!

We are proud to announce that Trey Dunlap received his diploma in December and Kimberly McManus and Rebecca Johnson earned their diplomas in February. Since August, they have been attending class each Monday for three hours preparing for the test. They should be commended for their time, motivation, ability and enthusiasm to reach this personal goal.

For more information about the GCC GED program, contact Sarah Van Mol in Organizational Development at (318)427.1103 or [svanmol@gilchristconst.com](mailto:svanmol@gilchristconst.com).
